The Honorable Peter A. DeFazio
Chairman
House Committee on Transportation and
Infrastructure

The Honorable Garret Graves
Ranking Member
House Committee on Transportation and
Infrastructure

Dear Chairman DeFazio and Ranking Member Graves:

I respectfully request funding for the following Member Designated Project to be included in this year's surface transportation authorization legislation: Corrine Drive Complete Streets.

The project sponsor for this project is the City of Orlando, located at 400 S. Orange Avenue, Orlando, FL 32801.

This project is located along Corrine Drive, between Mills Avenue and Bennett Road in Orlando, Florida (Zip Codes 32803, 32814). The funding will be used to install traffic calming features, ADA-compliant sidewalks, pedestrian and bicycle infrastructure, raised intersections and mid-block pedestrian crossings, and other enhancements to help reduce vehicular speed on Corrine Drive and make it more pedestrian friendly.

The project is an appropriate use of federal taxpayer dollars because it would address safety issues, deteriorating infrastructure, and the community's desire for active transportation in the region.

Corrine Drive is a regional connector to downtown Orlando and is surrounded by a thriving cluster of residential neighborhoods, retail destinations, and urban parks and trails.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Stephanie Murphy
Member of Congress
